Positive Pay System

To make cheque transactions safer, the RBI, vide its Circular No. DPSS.CO.RPPD.No.309/04.07.005/2020-21 dated 25th September 2020, has asked all banks to introduce the Positive Pay System (PPS).

The PPS enables an additional security layer to the cheque clearing process wherein the issuer (drawer) shares cheque details with their bank. When the beneficiary submits the cheque for clearing, the presented cheque details shall be compared with the details provided to the issuer bank through Positive Pay System. It is mandatory for the account holder (drawer of the cheque) to share cheque details while issuing the cheque for amounts of ₹ 5,00,000/- and above. In case of no details or incorrect or partially correct details provided in the Positive Pay System, the cheque would be returned unpaid.

NICB customers can submit the cheque details at NICB branches during the Bank's working hours or through an alternative online channel, Internet Banking, which is available around the clock.
